

TIDEWATER AREA RCM REPORT

Hi Family

I recently attended the Judson 4 weeks shop sponsored by our Regional Delegate TEAM. I also attended the CAR/CAT workshop yesterday with the Regional Mtg going on as we speak. Yesterday CAR/CAT TOTALS ARE POSTED ON OUR REGIONAL WEBSITE AT CAR-NA.ORG. FOR THE RECORD CAR MOTIONS 1-13, 15 & 16 PASSED while motion 14 FAILED. All CAT motions PASSED. I also was pleased to be on a 6 way conference call impromptu meeting with all members of the TASCNA to discuss & vote on hosting this month's AREA via ZOOM. I also want to thank the Admin for stepping up as have Region and now in consideration our 1st World Service Conference once scheduled & announced virtual. This will insure our mission & reduce funding needs ~~and~~ while we better equip ourselves during these trying times. There are a few regional motions
