

H&I Chair report
10/9/21

Hello family, the following commitments are open now:

Safe harbor

Salvation Army ARC

Indian creek

We are waiting for the green light for the Chesapeake drug court. We are also going to put some literature packets together using a few of the items left over from our previous learning day to get to the facilities that are closed to let them know that we are ready, willing and able to carry the message be it in person or via zoom.

ILS Elaine H.
